Because of You

Hope was found. Families were strengthened. Lives were changed.

Every number in this report represents a real person, a real family, and a real story.

Because of the generosity of individuals, churches, businesses, corporate sponsors, volunteers, and community partners, Life Choices was able to provide free services and support to families throughout Coffee, Franklin, Grundy Counties, and more of Southern Middle Tennessee in 2025.

From pregnancy testing and limited obstetrical ultrasounds to parenting education, fatherhood mentoring, material assistance, and family support services, your investment will create lasting impact for generations to come.

"Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength." Mark 12:30

Saving Lives. Building Families. Changing Generations.
