Staff Spotlight

Kimmy Marshall 🌿
Finance Director

"For more than nine years, Kimmy Marshall has faithfully served with Life Choices, wearing many hats and helping keep our ministry moving forward.

Her favorite part of Life Choices is seeing the ministry from a perspective many others do not.

"I get to watch God weave His ministry from the inside out, using every person who steps through the doors for His purpose and glory. Life Choices truly is a beautiful Kingdom family."

Kimmy believes no one comes to Life Choices by accident. Whether staff, board members, volunteers or clients, each person is called here for a purpose—and no one leaves the same.

Her favorite Scripture is Psalm 91:1-2, and her favorite praise song is "Counting My Blessings" by Seph Schlueter.

As Kimmy prepares to step into a new chapter, we are incredibly grateful for the many years she has faithfully poured into Life Choices. We pray blessings upon blessings over her and can't wait to see all that God has in store for her next! ❤️

Meet Our Medical Director

Dr. Bryan Myers is a board-certified OB/GYN and the owner of Amani Women's Health Center, a Christian medical practice serving women throughout Southern Middle Tennessee. He earned his medical degree from the University of Tennessee College of Medicine and completed his residency at UT Medical Center in Knoxville.

Following residency, Dr. Myers and his wife, Jane, served at Tenwek Mission Hospital in Kenya through Samaritan's Purse and World Medical Mission. He remains involved in international women's health missions and helped establish Tenwek's OB/GYN residency program—the first of its kind on the African continent. Here at home, Dr. Myers co-founded Life Choices Pregnancy & Family Resource Center and continues to serve as its Medical Director and a board member. He is also actively involved with Blue Monarch, a Christian recovery ministry for women and their children.

The name Amani means "peace" in Swahili, reflecting Dr. Myers' calling to combine compassionate healthcare with the love of Christ. He has described Southern Middle Tennessee as the mission field where God placed him, and his life and work reflect a commitment to serving women and families both locally and around the world.

Celebrating Accomplishments

Several participants have recently completed Life Choices programs and received certificates recognizing their hard work. Each certificate represents lessons completed, new skills learned, and another step toward a stronger future. We are proud of every individual choosing to learn, grow, and strengthen their family.

Celebrating the Men of Mosaic

Life Choices volunteers Jim Lasswell and John Cordell recently participated in a graduation at the Mosaic Center.

The graduates shared powerful testimonies of how God saved them and made them new. We celebrate their perseverance and the faithful Mosaic team pouring into these men every day.

Life Choices at RESTORE 2026 and ONE DAY OF HOPE

God Is Changing Lives

We recently celebrated with members of the Penaloza family as they accepted Christ! We also rejoiced when a male client at our Grundy County center gave his life to Jesus!

These moments remind us that every appointment and conversation is an opportunity to share hope and the love of Christ. Please pray for these individuals as they continue growing in their faith.

We would like to extend a heartfelt thank you to the sponsors who have committed their support so far.
