ALL IN - 2026

For Life. For Families. For Generations.

As the Executive Director of Life Choices Pregnancy and Family Resource Center, I am delighted to share a message of hope and support with our community. As we step into 2026, the words **ALL IN** have been placed firmly on our hearts across every Life Choices center. This year, we feel called to serve with deeper faith, greater compassion, and renewed commitment to the families in our communities. We are incredibly excited about the growth we are experiencing — with expanded programs, additional resources, and more clients choosing life-affirming paths for themselves and their families. We are witnessing God move in powerful ways, and it is both humbling and inspiring to be part of this work of **saving lives, building families, and changing generations.**

Our prayer for this year is that every member of the Life Choices family — staff, volunteers, donors, and clients — would step forward **ALL IN** for God. Whatever that may look like in your life. Here at Life Choices, the need continues to grow, and with that growth comes opportunity. **We are currently accepting additional volunteers** to help us keep up with the needs of our centers and the families we serve. If you know someone with a heart for people, compassion for families, and a desire to make a lasting impact, please encourage them to complete a volunteer application and join us in this mission.

Together, with faith and purpose, let's step ALL IN for 2026.

WHAT IS SANCTITY OF HUMAN LIFE?

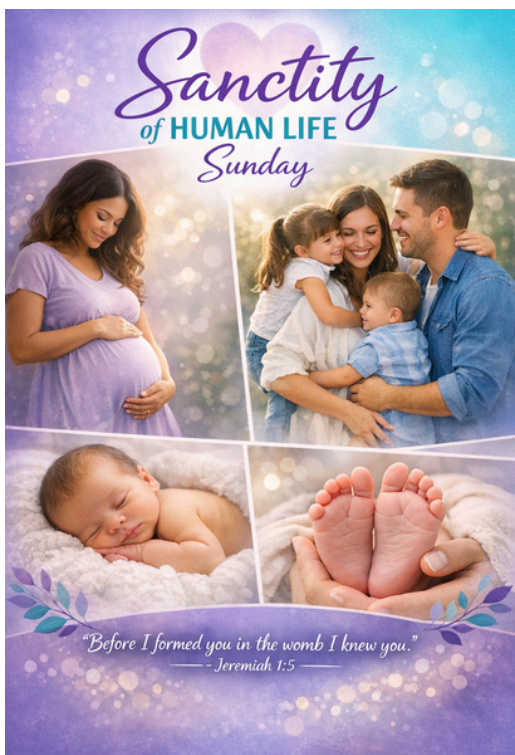

Sanctity of Human Life Sunday was established to call attention to the God-given value of every human life and to encourage reflection, prayer, and compassion.

Why Sanctity of Human Life Exists:

- Recognizes that every life is created by God, known by Him, and made with purpose
- Affirms the belief that human life is sacred from conception through natural death
- Calls communities and churches to protect the vulnerable, including unborn children
- Encourages care, support, and responsibility for women, men, and families
- Promotes a culture of life, dignity, and compassion, not judgment
- Reminds us that valuing life also means walking alongside people with love and practical help

At Life Choices, we believe honoring life means showing up with grace, education, resources, and hope—meeting families where they are and supporting them through every season.

"Before I formed you in the womb I knew you." — Jeremiah 1:5

Church & Community Engagement

- Board Member and volunteer **Ed Dorman**, along with Franklin County Center Director **Amy Haring**, had the opportunity to speak for the ladies of “**The Campbell Circle**” at **Tullahoma First Baptist Church** this month about the mission and impact of Life Choices. We are grateful for opportunities to share how God is working through our centers to support women, men, and families in our communities, and we appreciate churches like Tullahoma First Baptist for welcoming us and partnering with us in this life-affirming ministry.
- **Hannah Marie Teters**, our Development and Communications Director, along with **Amy Haring**, Franklin County Center Director, had the opportunity to speak and share about Life Choices at **RTTN Church** in Tullahoma and **Estill Springs Nazarene** on Sanctity of Human Life Sunday. We are so thankful for these opportunities to connect with local congregations and share the importance of protecting and supporting life.
- We also want to say a heartfelt thank you to all of the churches who shared the **Sanctity of Human Life** videos we provided. Your partnership helps spread a message of hope, compassion, and the value of every life in our community.
- We loved welcoming the youth group from **Winchester First Baptist Church** to our Franklin County Center! Thank you for the generous donations and for taking time to learn more about how Life Choices serves families in our community — including seeing a demonstration of what an ultrasound appointment can look like for a client. We’re so grateful for churches investing in the next generation.
- We’re so proud to celebrate one of our Franklin County Life Choices volunteers, **Sue Fulmer**, for being named **Citizen of the Year at the Franklin County Chamber Banquet!** Sue’s servant heart, dedication to our community, and willingness to show up wherever help is needed truly make a difference. We are grateful to have her as part of the Life Choices family and so thankful our community is recognizing the impact she makes every day. Congratulations, Sue — this honor is so well deserved!

♥ SHARING CHRIST’S LOVE ON VALENTINE’S DAY

Our staff and volunteers had so much fun creating a special Valentine’s Day video to remind our community that love is expressed in many different ways — through kindness, support, encouragement, and service to others. Most importantly, we celebrated the greatest love of all, the love of our Lord and Savior! Sharing this meaningful message in a fun and creative way was incredibly well received on social media, and we loved seeing our community engage with the reminder that true love is both lived out and shared every day.

WE ARE HIRING!!!

We simply cannot do what we do without you!

Life Choices Pregnancy and Family Resource Center is 100% donor funded and does not receive state/federal grant support, which means every service we provide is made possible through the generosity of individuals, churches, and businesses who believe in this mission. Because of you, families find hope, parents gain confidence, and lives are changed every single day.

As we continue forward in 2026 with our hearts set on being ALL IN, we invite you to prayerfully consider partnering with us again this year as a corporate sponsor or monthly supporter.

Your continued investment allows us to meet growing needs in our communities and expand the programs and resources that are helping families thrive.

Together,.. we are saving lives, building families, and changing generations — and we are so grateful to be ALL IN alongside you!
