ALL IN - 2026

For Life. For Families. For Generations.

It's Baby Bottle Time!

Each year from Mother's Day to Father's Day, we partner with so many incredible churches across our community for one of our most meaningful fundraisers of the year.

Baby bottles are distributed to congregations, and families take them home to fill with cash, checks, coins, or simply scan the QR code to give online.

This year, we had so much fun bringing the campaign to life through video! Our staff, volunteers, and friends from First Baptist Church Winchester and Redemption to the Nations jumped in to help us share the heart behind it all in a way that feels real, joyful, and impactful! More than anything, this campaign represents lives being changed right here in our community. We would truly appreciate your prayers over this fundraiser. It plays a vital role in keeping our doors open and allowing us to continue offering free services, support, and hope to every person who walks through them.

Thank you for being part of this mission with us.

Church & Community Engagement

- Ed is pictured here with James, who recently completed his parenting certificate 🌞

We are incredibly proud of the men who choose to step up, put in the work, and intentionally invest in their families. These moments represent more than just a certificate—they reflect commitment, growth, and a desire to build something better for the next generation.

We're honored to walk alongside men like James as they take these important steps forward.

The 2nd Annual Pastor Appreciation Breakfast Was A Success!

We were truly overjoyed by the turnout and the opportunity to show love and appreciation to the pastors and ministry leaders who serve our community so faithfully. It was a meaningful morning of connection, encouragement, and unity, and we are already looking forward to growing this event in the years ahead.

A heartfelt thank you to City Sandwich Company for generously donating all of the food and helping make the morning so special. We are also incredibly grateful for Micah, our sister-in Christ, who led us in such a beautiful time of worship, and to Pastor Herb Hester for sharing a powerful message of life and encouragement with fellow pastors. We also highly recommend The Event Nook for your next gathering. Patrice is an absolute joy to work with, and the space created the perfect setting for such a meaningful event. We are so thankful for every pastor and leader who joined us. It was an honor to serve you.

We simply cannot do what we do without you!

Life Choices Pregnancy and Family Resource Center is almost completely donor funded and does not receive state/federal grant support, which means every service we provide is made possible through the generosity of individuals, churches, and businesses who believe in this mission. Because of you, families find hope, parents gain confidence, and lives are changed every single day.

As we continue forward in 2026 with our hearts set on being ALL IN, we invite you to prayerfully consider partnering with us again this year as a corporate sponsor or monthly supporter.

Your continued investment allows us to meet growing needs in our communities and expand the programs and resources that are helping families thrive.

Together,.. we are saving lives, building families, and changing generations — and we are so grateful to be ALL IN alongside you!
